For Immediate Release

CREIGHTON MANNING WELCOMES ROBERT HANSEN, P.E.

Albany – September 19, 2011 Robert Hansen P.E. has joined Creighton Manning Engineering's Transportation Group. Mr. Hansen has over 37 years of experience with the NYS Department of Transportation, retiring as Director of Regional Planning and Program Management in the Department's Capital District region. He was project manager for several major State projects including the Exit 26 Bridge over the Mohawk, and the Round Lake Bypass and served as DOT liaison for the Luther Forest Technology Park development and Capital District program manager for the transportation portion of the American Recovery and Reinvestment Act of 2009. He is currently serving as a liaison to local governments and assisting with business development.

Creighton Manning Engineering is an award-winning, multi-discipline design firm providing transportation engineering, civil engineering, construction inspection and land surveying services.
